

# Opposites Attract Engineering in Archives

Year 9 event at  
the London Metropolitan Archives  
Friday 14 March 2014

A half day event at the London Metropolitan Archives to promote engineering.

Hands-on activities and career information from our engineering partners:

- **Crossrail**
- **Thames Tideway Tunnel**
- **Women in Engineering Society**

Along with engineering material from our archive collections.

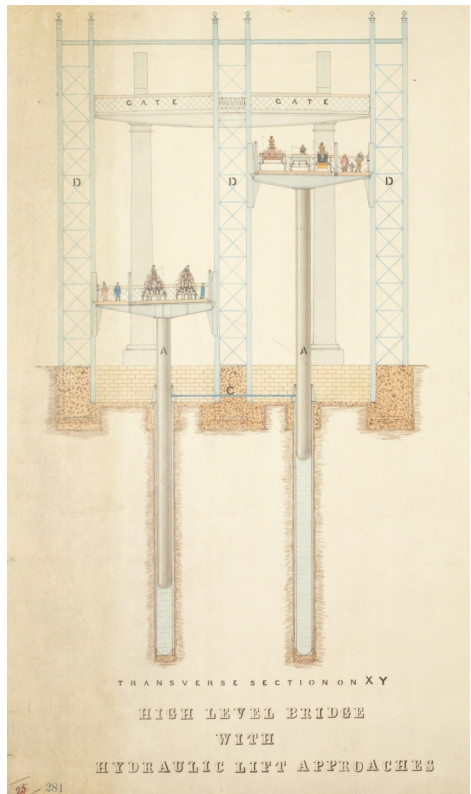

This is aimed at Year 9s who are interested in engineering.

Places are limited and booking is essential.

Sessions run from 10am to 12 noon and 1pm to 3pm.

## To book a group contact:
