Paradata: From Survey Research to Practice

One-day conference on 26th June 2014 at the Royal Statistical Society,
12 Errol Street, London, EC1Y 8LX, UK.

We are pleased to announce a one-day conference titled “**Paradata: From Survey Research to Practice**”. The conference will be held at the Royal Statistical Society (RSS) in London on the 26th of June 2014. The event is a part of an ESRC research grant on paradata and is also being organised in conjunction with the RSS Social Statistics Section.

The conference will see a mixture of presentations and contributions from discussants. Already confirmed speakers are (more will follow):

- Dr Mario Callegaro (Google UK Ltd.)
- Dr Gabriele Durrant (University of Southampton)
- Prof Frauke Kreuter (IAB and University of Maryland)
- Dr Olga Maslovskaya (University of Southampton)
- Dr Barry Schouten (CBS Netherlands and University of Utrecht)
- Prof Natalie Shlomo (University of Manchester)
- Prof Patrick Sturgis (University of Southampton)
- a representative from NatCen (National Centre for Social Research)

For further information about the conference and how to register please visit
http://www.southampton.ac.uk/paradata_event

If you have any further queries about the conference, please contact Dr Olga Maslovskaya (om206@soton.ac.uk).

Look forward to seeing you at the conference!

With best wishes,

Gabi Durrant and Olga Maslovskaya.
