3rd European Conference on Mental Health

- Looking for Evidence together

Sep 10-12, 2014
Tallinn, Estonia

Following successful 2nd European Conference on Mental Health Nursing Turku (Finland) 2013, the 3rd European Conference on Mental Health will take place in Tallinn (Estonia) September 10-12, 2014.

Tallinn is the capital of Estonia where history and modern meets. Visit the wonderful Old Town and make yourself familiar with the near history in KBG museum in your Conference hotel Viru.

Keynote speakers:

PhD **Jan-Henry Stenberg**, Finland, Professor **Len Bowers** UK, MD **Andres Lehtmets** Estonia, Professor **Merike Sisask** Estonia, Professor **Jaanus Harro** Estonia, Professor **Mary Chambers** UK

There will be three different levels of abstracts: scientific, doctoral and practical development. We invite you looking for evidence together from all over Europe and world! Submissions of presentations are invited relating, but not exclusively, to the following themes:

*Evidence based mental health care * Brains and mental health * The art and science of psychotherapy * eMental health and self-help * Mental health legislation * Human rights * Challenging situations in psychiatric care * Mental health services and policies * Service user involvement * Philosophical themes in mental health * Mental health across the life span * Substance abuse problems * Recovery psychiatry * Child and adolescent psychiatry * Mental health education and training*
