Interview Date:	TBA
Application Type:	Non-CRB Disclosure

We are seeking an enthusiastic historic environment professional who is looking for an exciting opportunity to work in a friendly multi-disciplinary team. You will assist our Senior Historic Environment Records Officer and other archaeologists to maintain and enhance the Shropshire Historic Environment Record (HER). You will be responsible for creating and enhancing records, liaising with customers, contributors and partners, and supporting other members of the team to deliver a range of historic environment projects.

This is an excellent opportunity for a team player who understands and enjoys building effective responsive partnerships across the historic environment.

You will need a degree level qualification in archaeology and expert IT skills, with proven experience of GIS and Microsoft Access databases. You will have excellent communication skills, together with a sound understanding of of British archaeology, and ideally with some experience of the planning process.

For an informal discussion about this vacancy, please contact Andy Wigley (01743 252561) or Penny Ward (01743 252558).
