PRESENT

**THE RWORD**  
ENDING RACISM IN THE 21ST CENTURY

### Why are some people so uncomfortable with the “R” word?

For one night only a space will be created to come together to talk some truths and shed some light on Racism. Join us at this special event where we will investigate “the R word” and inspire actions. Local people will sit alongside specialist experts to discuss how we can move from feelings to action to **End Racism this Generation**.

**27 May 6:30pm, The Norcroft Centre, University of Bradford BD7 1DP**

This is a **FREE** event! Book at [www.endracism.eventbrite.co.uk](http://www.endracism.eventbrite.co.uk)
