

LivWiSE is raising the profile and interaction between women in science & engineering. We host and promote lectures, events and opportunities for networking and enable members to develop an active forum to exchange experiences & ideas. Membership is free of charge and open to anyone interested in STEM (male and female). If you would like to join LivWiSE and be kept up to date on events, join us on Facebook/ LiverpoolWise or email kateblk@liverpool.ac.uk

Forthcoming events

www.liv.ac.uk/livwise or

www.facebook.com/liverpoolWISE/

Until 11 July 2014

FREE event Mon – Fri 9.30am – 8pm, Sat 9am – 7pm, Sun 11am – 5pm

University of Liverpool “pop up shop” in Liverpool

One. Join our series of interactive workshops, demonstrations, talks and activities. Visit www.liv.ac.uk/ifb2014/popupshop/

Thurs 26 Jun 2014

5.30-7pm Tickets FREE. Booking essential [Visit www.facebook.com/LiverpoolWISE](http://www.facebook.com/LiverpoolWISE) or www.liv.ac.uk/livwise

LivWiSE Guest Lecture—Professor Dame Julia King

World renowned for her papers and work on fatigue and fracture in structural materials and developments in aerospace and marine propulsion technology. Dame Julia will be discussing her work and women in leadership. www.liv.ac.uk/livwise

Fri 27 June 2014

6.30-8pm Tickets £5

Smashing Physics Ft Prof Jon Butterworth

Inside the discovery of the Higgs Boson (and how it changed our understanding of science). www.liverpoolsciencefestival.com
