<b>Hours:</b>	<b>37.5 hours per week, will include evening and weekend work for the delivery of informal learning events from early 2015 (date tbc)</b>

In March 2014 the French Hospital received a grant from the Heritage Lottery Fund to establish a Huguenot Heritage Centre on the first and second floors of 95 High Street, Rochester. The Huguenot Heritage Centre will be the first museum in Britain dedicated to the story of the Huguenots flight from persecution and integration into British society. The Huguenot Heritage Centre will open by April 2015.

The Huguenot Heritage Centre Director has been appointed. We are now looking to appoint the Learning and Community Engagement Officer to shape and guide the learning and engagement potential of this new independent museum, in the final months of development and for the future.

We are seeking an enthusiastic person to develop and deliver the learning programme of the Huguenot Heritage Centre, in collaboration with the Director and volunteers. A passion for history is vital, as is enthusiasm for engaging with public, through both formal and informal activities. Knowledge or interest in crafts and/or immigration is desirable.
