Final call for papers

Deadline for abstracts extended to Monday 9 June 2014

Papers may be on any topic, though you are encouraged to target your abstract or poster to fall within one of the following the conference subthemes.

This is a wonderful opportunity for psychologists, counsellors, psychotherapist, other professional groups to be part of an important professional event that is highly relevant to our time. We encourage you to attend even if not presenting.

Abstract and poster summaries should be no more than 250 words.

To book or to submit your abstract or poster summary go to:
www.kc-jones.co.uk/50th
