*Annual Scientific
Meeting 2014*
3-5th September 2014
Windermere

Psychobiology ASM 2014, Low Wood Hotel

Student Events

At this year's Psychobiology Annual Scientific Meeting there will be several student events taking place in addition to the main meeting programme.

Thursday 4th September

A Grant Writing workshop given by Dr Richard Stephens (Keele University), followed by a careers Q&A with speakers giving insight into a variety of career options in including early career research and industry. There will also be a poster session held on this day and students are particularly encouraged to submit a poster.

Friday 5th September

There will be a Meet the Experts lunch, which will offer the chance to talk about your research and career with established researchers.

You can take advantage of these events as part of your full conference registration or by taking advantage of the Special Event for Students rate of **£50.40**.

This includes attendance at the;

- Workshops
- Poster Session
- Keynote Speaker
- Scientific talks
- Meet the Experts lunch.

Please visit www.kc-jones.co.uk/psychobiology for registration and abstract submission, the deadline is **Friday 11th July**.
