Attend the most engaging, practical and memorable conference to date!

[The Association for Business Psychology](#)'s (ABP) 14th Annual Conference is the ideal forum for practitioners in Business Psychology as well as decision makers from OD, L&D, HR, and leaders from various industries looking to enhance the potential of their workforce. With a theme of "**Theory into Practice**" the event is sure to generate discussion and debate, and provide practical take-aways which bring to life both theory and practice for attendees.

Come along to this year's event and benefit from:

- Presentations from **leading experts** providing you with competitive information to keep you up-to-date with current industry thinking
- **Evidence based case studies** which inform you where the latest research is taking us
- Access to **accredited training sessions** and **career development** prospects
- **Increased networking opportunities**, within a vibrant atmosphere, with over 250 practitioners and stakeholders from across the country
- The prime opportunity to socialise and **be a part of the ABP community**

Key Topics on the programme this year include:

- **Resilience** : Building resilience in teams and management

- **Personal development:** The power of mindfulness - Evaluating evidence to inform practice.
- **Leadership from every angle:** women leaders, leadership development through technology, leadership and productivity
- **Beyond traditional OP:** translating lessons from elite sports performers into the world of work. Enhancing the employee-customer encounter.
