Liverpool, UK • 7-10 October 2014

Issue 12 • August 2014

## EuroLabFocus Social Programme

Tuesday 7 October, 1915 - 2100

### A Welcome Reception, Museum of Liverpool

We are proud to be hosting the 2014 conference in the vibrant city of Liverpool. The opening evening will be held in the splendid Museum of Liverpool where the history and culture of the city is displayed in a fun and interactive way. This evening will give delegates the opportunity to network whilst enjoying the locally produced food in impressive surroundings. There will also be plenty of photo opportunities of some of Liverpool's most famous landmarks, as the museum is located adjacent to the Liver Building, the famous docks and the waterfront. Opened in 2011, the museum reflects the city's global significance through its unique history and culture.

Wednesday 8 October, 1800 – 1930

### Exhibition Reception and 10 year celebration of LabTests Online

A chance to relax after the day's events before venturing out to see the sights in and around the conference centre. Drinks and nibbles will be served.

Wednesday 8 October, 2100 onwards

### Focus Fringe, Pan Am Bar, Albert Dock

Situated close to the conference venues and local hotels, this must-attend event celebrates a Focus tradition. Come and hear specialists in laboratory medicine transpose into specialist rockers. Book early, it's usually a sell-out!

Thursday 9 October,

### Conference Celebration at the Floral Hall, Southport

The beautiful 1930's art deco influenced Floral Hall on the beach front in Southport will be the venue for the conference dinner. The evening's entertainment will commence with Leo and his trio quartet followed by a fabulous tribute to the multi award winning singer Adele, by this point we will all be ready to dance the night away! The Floral Hall has kindly organised coach transport to and from the venue back to the ACC in Liverpool.

We look forward to welcoming you!

#### Organisers

UEMS Union of European Medical Specialists  
EFLM European Federation of Clinical Chemistry & Laboratory Medicine  
ACB Association for Clinical Biochemistry and Laboratory Medicine

Issued by EuroLabFocus Organising Committee  
Tel: +44 (0) 141 945 6880
