

Share Academy Social

Wednesday 15th October 1830 – late
The Old Crown, 33 New Oxford Street, WC1A 1BH

Please join us for an evening of Share Academy presentations, conversations, and networking.

Following the success of our first Share Academy Social in March we're doing it again. Museum professionals, academics, and students from UCL and UAL who are involved in Share Academy funded projects will deliver short presentations. We will also be joined by those working in the wider cultural heritage and academic sectors who are keen to hear about, and we hope develop, collaborations between the sectors.

We'll provide the drinks and some nibbles and we just want you to bring knowledge, wit, experiences, and enthusiasm.

Presentations from 7 to 9; networking, drinks, and conversations until late.
