### Position Summary

The UCD School of Nursing, Midwifery and Health Systems are seeking to appoint a lecturer in Midwifery for a temporary three-year contract at 0.5 FTE. The post would suit a candidate wishing to maintain a commitment to clinical practice.

**2013 (2010) Lecturer (above the bar) Scale:** €50,807 - €76,936 p.a. pro-rata

**2013 (2011) Lecturer (above the bar) Scale:** €45,726 – €69,275 p.a.\* pro-rata

*\* Subject to all new entrants to public sector as of 01 January 2011*

Appointment will be made on scale and in accordance with the Department of Finance guidelines

### Principal Duties and Responsibilities

#### Teaching and Learning

- Contribute to undergraduate and graduate teaching, as assigned by the Dean and Head of School;
- Support development and transformation programmes within UCD;
- Contribute to the development and planning of international and inter-professional programmes;
- Assist in meeting the continuing professional development needs of healthcare staff and inform the design of programmes to provide appropriate programmes of education and training.

#### Research, Innovation and Impact

- Ensure that the midwifery curriculum at undergraduate and graduate level is informed by the latest research evidence and policy developments;
- Contribute to research in the clinical and academic contexts;
- Disseminate research findings through publication and conference presentations.

#### Communication and Information

- Facilitate and promote the national and international profile of the UCD School of Nursing, Midwifery and Health Systems and the UCD College of Health Sciences;
- Build relationships with other cognate disciplines for the purpose of developing interdisciplinary collaboration in teaching, research and scholarship;
- Promote the effective and efficient use of resources;

- Serve on School committees as requested by the Head of School.

#### General Responsibilities

- Undertake any other duties as assigned by the Head of School.

#### Selection Criteria

Selection criteria outline the qualifications, skills, knowledge and/or experience that the successful candidate would need to demonstrate for successful discharge of the responsibilities of the post. Applications will be assessed on the basis of how well candidates satisfy these criteria.

#### Mandatory

- Registration, or eligibility to register, as a midwife with the Nursing and Midwifery Board of Ireland;
- Experience in undergraduate midwifery education in both clinical and academic settings;
- A commitment to graduate teaching;
- A commitment to programme development and design;
- A commitment to excellence in teaching and learning at university level;
- Demonstrable communications, team-building, change management and interpersonal skills;
- Recent experience of clinical practice and clinical leadership and a willingness to maintain clinical competence in midwifery.

#### Desirable

- Registration, or eligibility to register, in the Tutors' division of the register maintained by the Nursing and Midwifery Board of Ireland or hold an equivalent teaching and learning qualification;
- A doctoral degree or current registration for a doctoral degree;
- Evidence of dissemination of research and scholarship through research and publication;
- Knowledge of research designs, methods and techniques, and evidence of their application.
