

UK Age Friendly Cities Network

## Successful Cities, Positive Ageing

16th March 10am – 4.30pm London

The UK Age Friendly Cities Network presents the latest thinking on how cities and partners can collaborate to innovate on Age Friendly Cities.

This event focuses on three important aspects of successful cities

- The Built Environment
- Economic Development
- Culture and the Arts

Those attending will also get a preview of the Local Government Association report “The role of local authorities in preparing for the opportunities and challenges of an ageing society” and Kings College London will launch their report “An Age Friendly City: How far has London come?”

Speakers include:

- Lord Bichard
- Professor Chris Phillipson – Manchester University
- Professor Anthea Tinker – Kings College London
- Jonathan Collie – The Age of No Retirement
- Jonathan Scrutton – International Longevity Centre
- Age Friendly Ireland

Venue: Clifford Chance, 10 Upper Bank Street, Canary Wharf, London
