Between Craft and Code:
Making Sense of Data Materialisation

16 March–30 April 2015

This exhibition seeks to explore the human experience in a world of data. Building on the field of data visualisation and embodiment, we are moving into multisensory and physical ways of making sense of digital information.

Opening times:
Weekdays 9am–5pm, admission free

Artist's and researchers' reception:
Friday 20 March, 4–7pm

Symposium:
Wednesday 22 April, 1–5pm, Eldon North 0.20

Artist's workshop:
Tuesday 21 April, 11am–4pm, Eldon Foyer
