

CENTRE FOR ADVANCEMENT IN REALIST EVALUATION AND SYNTHESIS (CARES)

REALIST METHODOLOGY NETWORKING AND SUPPORT WORKSHOP

Thursday April 23rd 2015, 9:30am – 5:00pm

UNIVERSITY OF LIVERPOOL – LONDON CAMPUS: 33 FINSBURY SQUARE, LONDON.

Facilitator: Dr. Justin Jagosh

- A networking and support event for researchers/evaluators using realist methodology to develop and evaluate programs and/or synthesize literature.
- Day will comprise a mix of structured networking opportunities, group problem solving, one-on-one consultations and slide presentations by peers for feedback and co-learning.
- Registered participants will be sent a questionnaire in advance of the workshop to identify areas of need and requests for workshop materials and content.
- In attendance will be members from the RAMESES II project, who are currently working on establishing procedural guidance and reporting standards for realist evaluation. They will participate in the discussions and gather information on research needs by realist methodology users.
