

Call for Tutorials ISGT-LA 2015 – Montevideo, Uruguay

On behalf of the Technical Program Committee of the IEEE ISGT-LA 2015 Conference, we would like to invite Smart Grids experts, to submit tutorial proposals on Smart Grids topics.

Tutorials will take place on Monday 5/OCT/2015 for the full day.

Typically, a tutorial takes a 1:30 hour time slot including questions to the lecturers. Two time slots tutorials can be proposed by a single or multiple lecturers. Contents can be either broad to serve as an introduction to a topic, or deep in order to focus on cutting-edge contributions.

If you would like to submit a proposal, please fill in the form in the next page and e-mail it to ieeeisgla2015@gmail.com, no later than 30/04/2015 (April). Include relevant personal data or links to it.

A reply to the proposal will be send by the TPC committee before 30/06/2015 (June).

If available, a preliminary Tutorial presentation or a similar one should be attached.

Accepted proposals will be asked a final tutorial presentation (ppt or pdf) delivery dated before 30/08/2015 (August).

Sincerely,

Daniel Slomovitz
ISGT-LA 2015 TPC Chair
