

Health Research with Real Impact Conference 2015

Day 2 – Implementing Evidence in Practice

Thursday 25th June 2015, Westleigh Conference Centre

Chair: Professor Caroline Watkins

- 08:30 – 09:00 Registration (Refreshments will be served)
- 09:00 – 09:15 Welcome, Introduction and aims for the day
- 09:15 – 10:00 Co-Producing evidence for improvement: theory and practice
Professor Christopher Burton, Health Foundation Improvement Science Fellow, Deputy Head of School (Impact and Enterprise), Bangor University
- 10:00 – 10:45 “It’s not rocket science”: reflections on implementing interventions within the ICONS: Identifying Continence Options after Stroke feasibility trial
Dr Lois Thomas, Reader in Health Services Research, UCLan
- 10:45 – 11:15 Break (tea & coffee)
- 11:15– 12:00 Implementation fidelity in complex interventions
Dr Henna Hassan, Senior Researcher, Karolinska Institute, Stockholm, Sweden
- 12:00 – 12:45 Facilitating the Implementation of Research Evidence (FIRE): an RCT with embedded process evaluation
Professor Kate Seers, Director, RCN Research Institute, University of Warwick
- 12:45 – 13:30 Lunch (Hot buffet will be served)

Chair: Dr Lois Thomas

- 13:30 – 14:15 Implementing the Six Core Strategies UK: minimising harm to patients and staff by reducing the use of physical restraint
Professor Joy Duxbury, Professor in Mental Health Nursing, UCLan
- 14:15– 14:45 Facilitating evidence-based practice for the upper limb after stroke: development and testing of a behaviour change intervention
Naoimh McMahon, Research Therapist, UCLan
- 14:45 - 15:00 Break (tea & coffee)
- 15:00 – 16:00 Masterclass – Using realist evaluation to assess implementation
Professor Christopher Burton, Health Foundation Improvement Science Fellow, Deputy Head of School (Impact and Enterprise), Bangor University Gwynedd
- 16:00 – 16:15 Concluding remarks
Professor Caroline Watkins, Professor of Stroke & Older People’s Care, UCLan
