Research Data Spring
Programme

Day 1: Monday, 13 July 2015, Imperial College, London

Time	Activity	Notes
12:00	**Workshop opens** – lunch snacks, tea/coffee and registrations	Plenary
13:00	**Welcome**, introduction to aims of second sandpit workshop and structure	Plenary
13:25	**Research Data Wiki** launch	Plenary
13:35	**Updates on progress** and what is coming up next for all projects	One rep from each project team will have 2 minutes to talk about the project, what it has achieved and what they are looking at for next phase. There will also be an update from the DMP API.
14:30	**The 'mingle'** – continue the discussion, ask questions, meet and greet the project teams, experts, developers, librarians, publishers, learned society members…	Active break
15:00	**Birds of a feather** – two parallel sessions: 1. Stories around collaboration: o **CREAM** o **Integrated RDM for SAS** o **Software reuse** 2. Challenges or stories around building community around the solution and disseminating results: o **DMA Online** o **Clipper** o **Unlocking UK Thesis Data** o **Sound matters** o **Extending OPD**	Each session will start with 30 minutes allocated to 3-4 project teams that want to discuss their experience with this particular question on this project, and the remaining 30 minutes will be focused around questions, feedback from the group, other experiences of the attendees. These sessions should help the project teams learn from each other, get some more ideas and focus on some of the aspects that will be assessed in the pitch.
16:00	**Break** – continue discussion and find your next session	
16:20	**Birds of a feather** – two parallel sessions:	

Time	Activity	Notes
	1. Stories around building sustainability and thinking about scalability: o **Filling the digital preservation gap** o **Artivity** o **DataVault** 2. Stories around workflows: o **Giving researchers credit for their data** o **Streamlining deposit** o **AMASED** o **Enabling complex analysis**	
17:20	**Ideas market** – continue discussion and find out about other ideas; potential launch of the wiki research data portal or research data offspring.	Short intro/launch, followed by networking. Rooms will be available for teams to finish up pitches and other work.
19:00	**Informal dinner**	Work and discussions can continue during dinner and drinks.

Day 2: Tuesday, 14 July 2015, Imperial College, London

Time	Activity	Notes
7:00	**Breakfast**	
10:00	**Intro to pitches** (for next funding phase). What would the phase involve and when to expect results.	
10:10	**Pitches session 1**	We anticipate up to 4 projects per session with 4 minutes per pitch and 4 minutes for questions.
11:00	**Pitches session 2**	
11:45	**Break**	
11:55	**Pitches session 3**	
12:45	**Pitches session 4**	
13:35	**End workshop & Lunch**
