

ENHANCING LIFE FOR THE BETTER? | AT BAYER YOU'RE EXPECTED TO.

Bayer is a global enterprise with core competencies in the Life Science fields of health care and agriculture. Its products and services are designed to benefit people and improve their quality of life. Bayer HealthCare combines the global activities of the Animal Health, Consumer Care, Medical Care and Pharmaceuticals divisions. Its aim is to discover, develop, manufacture and market products that will improve human and animal health worldwide. At Bayer you have the opportunity to be part of a culture where we value the passion of our employees to innovate and give them the power to change.

Laboratory Head Protein Technologies (m/f)

YOUR TASKS AND RESPONSIBILITIES

- Develop and coordinate early research studies to characterize the kinetics and thermodynamics of binding for protein-small molecule interactions in lead discovery projects
- Execute, analyze and evaluate drug discovery projects in interdisciplinary teams and present results in project and management team meetings
- Ensure state of the art science and technology of research studies and scientific instrumentation
- Supervise and manage technical staff
- Contribute to interdisciplinary projects to assure a continuous development of scientific methods and processes
- Maintain and develop external collaborations

WHO YOU ARE

- PhD degree in biophysics, biochemistry or chemistry along with first postdoc experience
- Proven expertise in applying modern biophysical research techniques (especially SPR, ITC) and interpretation of protein-ligand-interactions
- Profound knowledge and postdoc experience in drug discovery as well as related areas (e.g. pharmacology)
- Highly developed analytical and strategic thinking skills
- Shown competence in leading and motivating technical employees
- Clear dedication for further development and continuous learning
- Drug hunting spirit and willingness to undertake challenging scientific tasks
- Excellent communication and presentation skills in German and English
