**Timișoara
23-25 June 2016**

The Teacher Training Department, West University of Timișoara (Romania), is pleased to announce the second edition of the International Conference *Beliefs and Behaviours in Education and Culture*, which will be held in June 23 - 25, 2016.

The aim of the conference, proposing interdisciplinary perspectives, is to build comprehensive and holistic explanations of beliefs from different sciences that have a great impact upon education and culture. The conference addresses themes related to issues and processes of education at any level, from kindergarten to lifelong learning, from formal to informal education.

We propose topics of debate, such as but not limited to:

- * Educational policy impact in different cultures
- * Culture and emotions in education
- * Beliefs and behaviours in culture and education
- * Research and innovation in Education
- * Technology and Digital Learning
- * Implications of media exposure
- * The representation of mythical spaces in literature and the arts
- * Gothic and horror in contemporary entertainment media: aesthetic experience and emotional impact.
