

Exciting Creative Opportunity for Young People who hear voices!

Saturdays 13 February - 19 March 2016

Are you aged between 14 and 19?

Do you have personal experience of hearing voices that other people don't hear?

Do you enjoy being creative and sharing your thoughts, opinions and experiences?

...if yes, please join us:

Voice Collective & Wellcome Collection Youth Programme!

Would you like to:

- Meet with other young people who hear voices?
- Work together with a professional artist to learn new creative skills, share ideas and experiences?
- Create a group artwork for a public audience?

The Wellcome Collection is offering a group of young people with personal experience of voice hearing the chance to work on a group piece of art that will be on display in their exhibition alongside other artworks.
