Can you blaze a trail for others to follow?

We open our doors to our first group of Year 7 students in September 2016, and need inspirational teachers to get us off to the very best of starts. This post would suit those who believe everyone is entitled to a first rate education, and those who thrive in an environment of high expectation and constant challenge; trailblazers who can also secure continuing success. The ability to offer more than one subject will be an advantage, and a flexible approach is essential.

Pinner High School will be a learning based community with high aspirations for all. We will provide a first rate personal, inclusive education, through a tried and tested curriculum carefully supported by individual pastoral care. Students will have the opportunity to excel in and out of the classroom, on the sports field, on the stage, in the community, enjoying a wealth of enrichment opportunities.

The school will bring life to the motto 'Inspiring Learning'. A great deal of this comes with the exceptional every day experiences students expect with our first class staff. The opportunity to build this ethos in a brand new school is a special one with excellent career development opportunities as the school grows. The Headteacher has already made outstanding appointments for the roles of Assistant Headteacher, Head of Maths, Head of English, Head of Science and Head of Year. The future of Pinner High School is bright and exciting.
