

# Inaugural Clinical & Forensic Special Interest Group Meeting

KRSS are pleased to announce that they will be hosting and co-sponsoring the 1st Clinical and Forensic Special Group meeting (BMSS C&F Sig) at their facilities in Cheshire on 12th May 2016. The meeting will focus on sample preparation in the clinical laboratory and cover several topics including:

- Biological sample preparation
- How to decide what sample clean up procedure to use
- SPE - benefits, pitfalls and challenges
- Automated SPE solutions
- Sample clean-up workshop
