

International Association for Practice Doctorates Conference

Innovative Pedagogies in Practice Doctorates

This year's conference provides opportunities to discuss the attention to practice undertaken by doctoral candidates in their doctoral research and the way this work can be supported.

8th July 2016, 10.30 –16.15
£95.00

Keynote:

Prof David Boud, University of Technology, Sydney

'The challenge to doctorates from professional practice'
