

## Dentistry Responding In Domestic Violence and Abuse

Do you support victims and survivors of domestic violence and abuse? Are you a local charity? School Administrator? Refugee agency? Service provider? BME support group? Healthcare professional? Or a member of the public with an interest in or experience of domestic violence and abuse (DVA)?

Would you like an opportunity to shape future research on how healthcare professionals can be more supportive to adult patients presenting with injuries from DVA?

Join us at a free Public Engagement event hosted by:  
Professor Paul Coulthard  
Professor of Oral and Maxillofacial Surgery  
Head of School of Dentistry, University of Manchester
