Remember, our goal is to support you in the work that you do, in your learning and development and any research activities that you may undertake. So get in contact and find out how we can help. Email: whl@nhs.net

We want your spare novels!

It's that time of year again when many of us start our spring cleaning. We are **asking our Library users** to bring in any **unwanted novels** and donate them to the patients at Highgate Mental Health Centre. Ann Jumawan, Head Matron at HMHC regards reading as a wonderful way of helping patients pass the time at the unit. So please bring your books into the Library (ground floor, Highgate Wing) and we'll make sure that the patients receive them. All novels are accepted apart from horror. Many thanks!

World Book Day

Here is Library favourite, Harriet Croxton 'power punching' for World Book Day back on the 5th March.

We felt that our users deserved a treat to help us celebrate and so we gave away 'kids' sweets and biscuits all day. As you can imagine, we were very popular Librarians. :)

Compassionate Healthcare Conference 2015

Earlier this month the Library was invited to attend a compassionate care conference, hosted by Whittington Health and located at White Hart Lane football ground. The day was a great success and included speeches by leading thinkers in the field, patient reflections and mini lectures for visitors to attend. Throughout the day visitors to the Library stand described how meaningful they had found the event. For our part, the Library displayed books and resources whilst registering a number of new people to the service. The day was an excellent opportunity for us to showcase what we do and meet healthcare professionals working within and outside of the Trust.
