Claudia Parsons Memorial Lecture

Dr Emily Grossman

How to Build a Scientist

Monday 13 March 2017, 6.00pm
(refreshments served from 5.15pm)

Lecture Theatre WPT.0.02,
West Park Teaching Hub

Dr Emily Grossman speaks about her life as a scientist, actress and science broadcaster – she shares her experiences as a woman in science and explores the value of emotions in science. Emily also discusses exciting advances in the field of stem cells and regenerative medicine, and asks whether one day we'll be able to rebuild a human.
