Twilight evening

FREE for all educators across the learning sector

At Bosworth Battlefield Heritage Centre

1 March 2017, 6pm to 8pm, Drinks and nibbles

We would like to invite you to a special evening of talks, tours & ideas. How can 1485 fit into your curriculum planning, and how can you & your students help shape the programme for 2017-2018?

Our philosophy is that pupils are to touch, learn, play and create to produce a tangible kind of history which builds great memories and which supports learning in the classroom.
