Join us on Tue 28th March for LTD's 'To record or not to record, that is the question' Panopto forum.

Join us on Tue 28th March for LTD's 'To record or not to record, that is the question' Panopto forum.

Date: Tue 28th Mar 2017, 10:00 – 3:00pm

Location: Khalili Lecture Theatre (KLT), lower ground floor, main building

The forum examines use of Panopto at SOAS, in the context of pedagogy and student engagement, and with respect to developments across the UK HE sector. It draws on the experiences, pragmatic and pedagogical, of academics at SOAS.

Case studies presented at the forum demonstrate how Panopto can be utilised for marking assignments as well as record talks within the Law department.

You will also have the opportunity to ask questions of a staff and student panel as well as a representative from Panopto.

Lunch is included, along with plenty of time for networking.

The event is for teaching staff, course designers, administrators and students. Previous use of Panopto or video for teaching is not required.

To register for the event please fill in this simple form - [goo.gl/YaGJDg](http://goo.gl/YaGJDg).

Contact the BLE team if you have any further questions: [ble@soas.ac.uk](mailto:ble@soas.ac.uk)
