

POPPIES WEEPING WINDOW

BY PAUL CUMMINS ARTIST AND TOM PIPER DESIGNER

FREE CPD FOR KS2 – 3 LITERACY, ART AND HISTORY TEACHERS.

To mark the Poppies tour and the Centenary of the First World War, an exciting learning programme has been devised for KS2-3 Literacy, Art and History teachers in the Maritime Museum

The dramatic sculptures Poppies: Wave and Weeping Window by artist Paul Cummins and designer Tom Piper, are currently touring sites in England, Scotland, Wales and Northern Ireland. Previously seen at the Tower Of London as part of the installation Blood Swept Lands and Seas of Red, Poppies: Weeping Window will be on display at Hull's Maritime Museum.

We are inviting **KS2-3** teachers to participate in a **FREE CPD** and guided tour of the site. The half-day session will provide:

- Classroom strategies using the sculpture for promoting pupil talk
- Literacy, history and art focused activity to generate rich writing outcomes
- Practical lesson plans for using the sculptures as a platform to explore the First World War and local history units
- A take-away teacher's pack with a raft of lesson plans across KS2-3 as well as opportunities for linked school visits
