

## [Open Call: 8th International Summer School in Cultural Economics - August 22-26, 2017](#)

**The Centre for Research in Arts and Economics** *CREARE* is launching the **8th edition** of its flagship programme on **Value of Culture** in Amsterdam, the Netherlands.

Learn about the latest developments in the field of the economy of the arts, culture, and the creative industries.

Participants who either are professionally involved in cultural organizations, governments, foundations or creative industries, or are studying the world of art and culture are invited to apply.

Participants will **learn about** the value based approach to do the right thing in their cultural practice, to uphold cultural values while meeting financial needs.

Participants will **benefit from** the extensive experience CREARE has built up over all these years, the expertise of a highly specialised staff, and a network of alumni that spans the world.

### **Application deadline:**

**Early bird:** May 15th, 2017 (10% discount)

**Final deadline:** July 10th, 2017

The Summer school draws on the skills and knowledge of the top ranked international master programme on [Cultural Economics and Entrepreneurship of the Erasmus University](#).
