

June 2017 call for applications to the PsyPAG Workshop Fund

The **Psychology Postgraduate Affairs Group (PsyPAG)** are now accepting applications to host workshops for postgraduates.

Previous workshops have included: Using MatLab, using secondary data, and conducting peer reviews.

Applying for workshop funding is **valuable experience**:

- It shows employers that you are able to use your initiative, budget, negotiate and plan
- It fills a gap in your own training needs and benefits others at the same time
- It builds your confidence in organising and chairing events
- It gives you the opportunity to network and meet people you may be able to work with in the future

We encourage applicants to ask for joint funding from another source (e.g. your university, a division/section of the BPS or an employer).

This is because we want our budget to support as many events as possible.

If interested, or would like more information, please contact the Vice Chair at vicechair@psypag.co.uk

Guidance notes and application forms are downloadable at: <http://www.psypag.co.uk/workshops>

Deadline for applications is on **30th June 2017**, at 5pm.

****Workshops should be run after 1st October 2017****
