

Dear Colleague

**Invitation to International Conference: Financial Education for Adults  
Barnet and Southgate College, Southgate Campus: 6 July 2017**

I am delighted to invite you to a dissemination conference to be held on Thursday 6 July 2017 at Barnet and Southgate College in London. It will be of particular interest to practitioners and policymakers in further education, adult and community learning and the community sector.

The conference will share the results of an Erasmus Plus Strategic Partnership project, **Financial Education for Adults**, which developed approaches for promoting financial education to adults, including ways of improving the financial and pedagogical competences of adult educators. The project was carried out between 2015 and 2017 by seven organisations from six European countries.

The conference will bring together adult educators and policymakers from further education, adult and community learning; financial institutions, community organisations; public sector bodies; adult learners and other stakeholders from the world of education and finance to share the results. Participants will also learn about the financial education landscape in Europe, national policies and strategies for financial education, and have an opportunity to network with practitioners and policymakers from other European countries, and provide feedback on the outputs.

The outputs that will be shared during the conference include *A Financial Competency Framework for Adult Educators*, *A Financial Competency Framework for Adults*, *Course in Financial Literacy for Adult Educators*, and tools to support the delivery of financial education.

Please respond to this invitation by interest before by 17 June 2017, as places are limited. You can register your interest [here](#).

The conference is FREE and lunch and refreshments will be provided.

I look forward to hearing from you.

Yours sincerely

Lorraine Jackson  
Deputy Director, Lifelong Learning
