

Exciting opportunities to join a dynamic and innovative university with genuine global ambition

Location: Newcastle upon Tyne

Competitive Salaries

At Northumbria University our inspirational academics, cutting edge courses, outstanding facilities and extensive partner networks mean that our students learn from the best and graduate with excellent outcomes.

Northumbria had the largest rise in research power ranking in REF2014 and now enjoys a top 50 position for research. It was awarded a Silver Award in the Teaching Excellence Framework (TEF) 2017. We have the highest level of student entry qualifications of any new university, in addition to strong student satisfaction and high performing collaborations and partnerships at home and overseas.

If you have a proven track record and the potential to be a world leader in your field, there has never been a more exciting time to join us.

Northumbria University, Newcastle is a research-rich, business-focussed, professional university with a global reputation for academic excellence. Located in Newcastle upon Tyne, and with a campus in the heart of London's financial district, Northumbria University is located in the UK's best two cities for students. At Northumbria we are global in our scope and reach, with operations in London, Malaysia, Sri Lanka, Indonesia and Singapore, and we remain the largest English provider in Hong Kong. The University continues its strong commitment to internationalism, including its valuable and long-standing links with Europe.

Northumbria is ranked 48th in the Guardian league table 2018, and ranked in the Top 200 Under 50 global University rankings.

Northumbria University values the quality and diversity of our staff. We welcome applications from all members of the community. The University holds an Athena SWAN Bronze award in recognition of our commitment to improving employment practices for the advancement of gender equality and is a member of the Euraxess network, which delivers information and support to professional researchers.
