

Call for Papers for Special Issue on

## Advanced Applications of Soft Computing Research Journal of Current Medical Imaging Reviews

<http://benthamscience.com/journals/current-medical-imaging-reviews/>

(ISSN: 1573-4056)

Editor-in-Chief

**E. Edmund Kim, USA**

Guest Editors

**Prof. Shishir K Shandilya, Dr. Smita Shandilya, Prof. Atulya Nagar**

This special issue will contain research contributions from leading scholars from all over the world with comprehensive coverage of specific topic of Soft Computing while highlighting the recent and future trends. This issue will focus on the current researches on Soft Computing with empirical results to provide a good comprehensive reference for students, researchers, scholars, professionals and practitioners in the field of advanced artificial intelligence and Soft Computing.

*Topics of interest include, but are not limited to, the following:*

- Mathematical Imaging and Vision • Evolutionary Computation • Machine Learning, Optimization
- Big Data Applications • Artificial Neural Networks • Fuzzy Logic • Nature-inspired Computing
- Expert Systems • Informatics Engineering • Robotics • Intelligent Algorithms • Artificial Intelligence

• **Deadlines**

- Manuscript submission deadline: **31 August 2017**
- Peer Review Due: **30 September 2017**
- Revision Due: **15 October 2017**
- Announcement of acceptance by the Guest Editors: **31 October 2017**
- Final manuscripts due: **15 November 2017**

**Instructions for Authors:** <http://benthamscience.com/journals/current-medical-imaging-reviews/author-guidelines/#top>
