

Dear colleagues,

Institute for the History of Material Culture of RAS,
State Hermitage Museum,
Peter the Great Museum of Anthropology and Ethnography of RAS,
Samara State University of Social Sciences and Education,
and Sergiev Posad State History and Art Museum-Preserve

invite you to take part in the International Conference
dedicated to the **50th anniversary of Vladimir Mikhailovich LOZOVSKI**

**SUBSISTENCE STRATEGIES IN THE STONE AGE,
DIRECT AND INDIRECT EVIDENCE OF FISHING AND GATHERING**

15–18 MAY 2018, Saint Petersburg

The following topics will be discussed during the conference:

1. The choice of location and settlement structure as a reflection of the economic strategy. Value of hunting and fishing in a variety of landscapes on the faunal remains.
2. Fishing equipment and tools for gathering based on the typology and traceology data. Fixed and mobile fishing constructions from organic materials.
3. Storage and cooking. Diet in the Stone Age through natural science research. Food residues and seeds of edible plants in archaeological layers.
4. Evidence of gathering in the Paleolithic.
5. Fishing and gathering in Prehistoric art.
6. Ad memoriam Vladimir Lozovski (1968–2015).

Venue: Institute for the History of Material Culture and the State Hermitage Museum (Saint Petersburg, Russia).

Languages: Russian and English (with simultaneous interpretation).

Applications for participation should be submitted by November 1, 2017 to neolithic.iimk.ran@gmail.com, according to the Registration form.

The proceedings of the conference will be published in English and Russian. Texts up to 12,000 characters including spaces (or 1,800 words) plus one or two black-and-white illustrations (600 dpi) are to be sent before January 20, 2018.

Article submission guidelines will be provided in the 2nd circular.

Travel and accommodation costs will be covered by participants.
