## BPS Scotland HUB Initiative

Central Scotland HUB: Thursday 30<sup>th</sup> November 2017

17:00 – 19:00

Room 2A73, The Psychology Department, Cottrell Building

University of Stirling, FK9 4LA

The aim of local Hub events is to bring BPS members together, and to promote communication between psychologists at different stages of their careers.

The first Central Scotland HUB event will be held on **Thursday 30<sup>th</sup> November 2017**. We hope that you will be able to attend as events are designed to be both a learning and networking opportunity combined.

The evening will begin with a welcome reception and introductions.

Our guest speakers, including Dr Vivien Swanson, Dr Sinéad Currie, Dr Alison Robertson and Ms Julie McLellan, will give short presentations about their research and/or clinical practice:

## The role of Psychology within Maternal Health

There will be light refreshments available.

The event is supported by BPS Scottish Branch. We are committed to increasing communication and engagement among psychologists in and around Central Scotland. And all we need is your time and networking skills.

Places are limited, so please book as soon as possible on:
