

MURNAU
CONFERENCE | 2018

7th Murnau Conference
September 26 - 29, Murnau/Germany

FOCUS

NEW FRONTIERS IN
STRUCTURAL BIOLOGY

7th Murnau Conference on Structural Biology

September 26–29

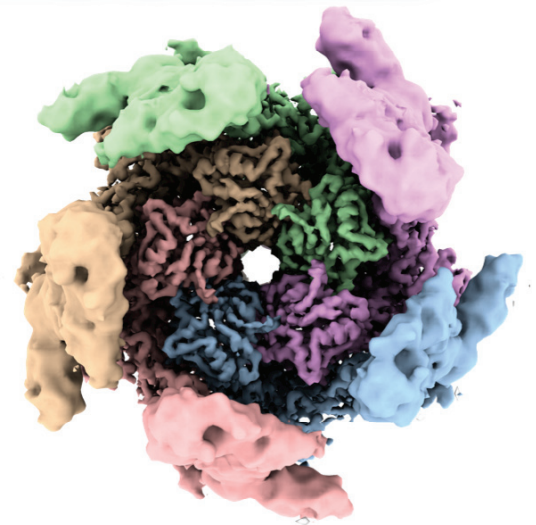

www.murnauconference.de

TOPICS

- *Structural Dynamics*
- *Connecting Length Scales*
- *Emerging Methods*
- *Molecular Mechanisms of Regulation and Biogenesis*
- *Cellular Processes Involving Protein Complexes*

GBM Study Group Structural Biology

Confirmed Speakers

E. Conti | Martinsried
H. Grubmüller | Göttingen
A. Houdusse | Paris
G. Jensen | Pasadena

E. Laue | Cambridge/UK
K. Locher | Zürich
J. Löwe | Cambridge/UK
L. Passmore | Cambridge/UK

Murnau Lecture: Kurt Wüthrich | Zürich

M. Sattler | München
B. Schuler | Zürich
B. Schulman | Martinsried
P. Selenko | Berlin

Information

Participants are encouraged to present their work in a poster. A number of submitted abstracts will be selected for oral presentations. Prizes will be awarded to the best posters.
Registrations fees: 300 € (regular participants), 150 € (students).

Registration: February 15th to August 10th, 2018

Organizers

Scientific Organization Committee

R. Ficner | Göttingen
C. Griesinger | Göttingen
M. Hothorn | Genf
I. Sinning | Heidelberg
H. Stark | Göttingen
C. Ziegler | Regensburg

Oliver Einsle | Albert-Ludwigs-Universität Freiburg
Sebastian Hiller | Universität Basel
Stefan Raunser | MPI für molekulare Physiologie Dortmund
