“The Political Economy of China’s Transformation” Workshop & Dialogue with Marxist scholars from China

Date: Tuesday 5 June 2018

Venue: 13:00 - 17:00 SWLT, in the Paul Webley Wing of Senate House, SOAS; 17:00 - 18:30 B111, in Brunei Gallery, SOAS

This half-day workshop aims to bring progressive scholars and students together to discuss China’s economic transformation and its impact on world development in relation to neoliberalism, capitalism and imperialism. There will also have a forum for productive dialogue between workshop participants and a delegation of Marxist scholars from China, on the state of intellectual Marxism in China amid global political-economic upheavals ”

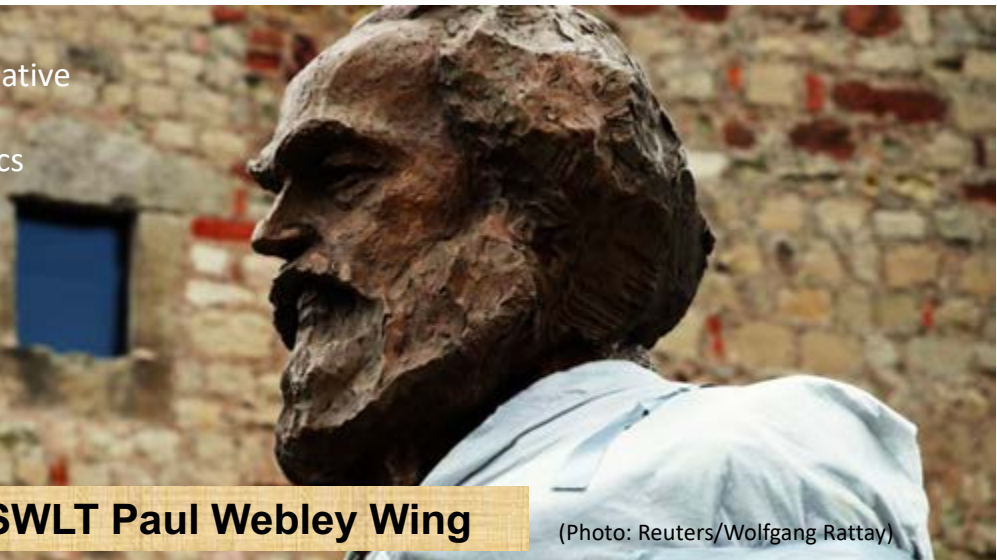

Pre-registration is essential because of room capacity constraints, please sign up at:
