PRIMARY TEACHERS CONSULTATION

The Museum needs you!

We are putting our fascinating British Insect Collection centre stage and need your help in shaping our offer for primary schools! We are running a focus group at the Museum and there are places for 8 primary teachers. We are looking for teachers in and around Oxford (up to one-hour travel from Museum) who haven't brought pupils to the Museum before and work in schools with above average Pupil Premium.

Please email Nicky info@nickyboyd.co.uk if you are interested in taking part.
