

SATURDAY 23RD JUNE 2018

2PM – 4PM

SECONDARY TEACHERS CONSULTATION

The Museum needs you!

We are putting our fascinating British Insect Collection centre stage and need your help in shaping our offer for secondary schools! We are running a focus group at the Museum and there are 6 places. We are looking for teachers in and around Oxford (up to one-hour travel from Museum) who are actively pursuing STEM agendas, who haven't brought pupils to the Museum before and work in schools with above average Pupil Premium.

Please email Nicky info@nickyboyd.co.uk if you are interested in taking part.
