FOR MORE INFORMATION: [HTTP://NEPALLEADERSHIPACADEMY.ORG/](http://nepalleadershipacademy.org/)

Nepal Leadership Trek (NLT) introduces participants to Nepal Leadership Academy's flagship graduate-level equivalent course, **Leading From Within**, designed at Harvard's Center for Public Leadership which enables participants to explore the fundamentals of **adaptive leadership** so that they can **reflect** on and **critically analyze** both themselves and their surroundings.

Our partner, Royal Mountain Travel-Nepal, will coordinate the trek which is an important aspect of NLT. The itinerary covers a tour of Kathmandu Valley, Pokhara, and **trekking** along a newly developed, unspoiled route of the **Annapurna Region**. Get a unique glimpse into the **rural Himalayan lifestyle**, spend quality time with local communities through the **homestay experience**, and interact with inspiring **women entrepreneurs**.
