

Learning Technologies Unit Seminar Series

ACCOMMODATING THE DISTANCE LEARNER

Across the IOE and UCL, we use various ways to accommodate distance learners academically. This series of knowledge exchange seminars will explore existing experiences as well as contemplate challenges and opportunities of distance learning in different contexts.

Whether you run or are interested in online or mixed mode teaching, this series is **open to all**.

IOE 20 Bedford Way	Accommodating the Distance Learner
Friday 9 November 13:00-14:30 Room 822	Panel Discussion: Fully Online Key questions around distance learners in fully online modules.
Wednesday 14 November 14:00-15:30 Room W3.05	Panel Discussion: Mixed Delivery Key questions around distance learners in simultaneous face-to-face and online modules.
Monday 26 November 12:00-13:30 Room 604	Techniques-and-Practice Exchange Guided knowledge exchange workshop to capture issues and solutions.
