SAA STUDENT POSTER AWARD 2019: CALL FOR SUBMISSIONS

The Student Poster Award Committee from the Society of American Archaeology calls for poster submissions for our annual competition. The Student Poster Award is presented to the best student poster presented in a general or organized poster session. The award is designed to promote interest and acceptance of the poster in the dissemination of archaeological research, to increase the quality of poster presentations, and to acknowledge excellence in this valuable medium.

THE PRIZE: The awardee receives $250. The awardee(s) are also recognized by the SAA through a plaque presented during the business meeting held at the Annual Meeting, a citation in *The SAA Archaeological Record*, and acknowledgment on the awards page of the SAA Website. All co-authors will receive the award.

The submission deadline is March 10, 2019.
