

# #CryoCycle: a 660 mile cryoEM bike ride

A team from Leeds are cycling 660 miles, visiting the all of the Titan Krios and Grand ARM microscopes in the UK to raise money for International Justice Mission, a charity tackling modern slavery.

The route will start in Glasgow, and then head to Leeds, Oxford, London, Cambridge and Leicester, finishing in Nottingham just in time for the CCPEM annual conference on 30<sup>th</sup> April

We are looking for fellow cryoEMers to join us for parts of the journey! Check out the route by scanning the QR code or email [r.f.thompson@leeds.ac.uk](mailto:r.f.thompson@leeds.ac.uk)

To follow our progress and donate to this fantastic charity please see the website below or scan the QR code
