- Conference description II
- Conference description III
- Other Info (optional)
- Keynote Speakers**
- Financial Support
- Check and Submit

Name	Email	Affiliation	Actions
 Mercedes Alfonso-Prieto		Forschungszentrum Jülich	Positive response re <input type="button" value="x"/>
 Marc Baaden		Institut de Biologie Physico-Chimique, Paris	Positive response re <input type="button" value="x"/>
 Simon Berneche		University of Basel	Positive response re <input type="button" value="x"/>
 Grace Brannigan		Rutgers	Positive response re <input type="button" value="x"/>
 Vincenzo Carnevale		Temple University	Positive response re <input type="button" value="x"/>
 Matteo Ceccarelli		Università degli studi di Cagliari	Positive response re <input type="button" value="x"/>
 Marco Cecchini		University of Strasbourg	Positive response re <input type="button" value="x"/>
 Chris Chipot		Université de Lorraine	Positive response re <input type="button" value="x"/>
 Matteo dal Peraro		University of Laussane	Positive response re <input type="button" value="x"/>
 Bert de Groot		Max Planck Institute for Biophysical Chemistry, Göttingen	Positive response re <input type="button" value="x"/>
 Marco de Vivo		Istituto Italiano di Tecnologia (Genova)	Positive response re <input type="button" value="x"/>
 Lucy Delemotte		KTH Royal Institute of Technology.	Positive response re <input type="button" value="x"/>
 Russell DeVane		Procter & Gamble	Contacted <input type="button" value="x"/>
 Daniele Granata		University of Copenhagen	Positive response re <input type="button" value="x"/>
 Jerome Henin		Institut de Biologie Physico-Chimique, Paris	Positive response re <input type="button" value="x"/>
 Gerard Hummer		The Max Planck Institute of Biophysics	Positive response re <input type="button" value="x"/>
 Marina Kasimova		KTH Royal Institute of Technology.	Positive response re <input type="button" value="x"/>
 Sharon Loverde		College of Staten Island	Contacted <input type="button" value="x"/>
 Chris Macdermaid		GSK	Contacted <input type="button" value="x"/>
 Alex Mackerell		University of Maryland	Positive response re <input type="button" value="x"/>
 Alessandra Magistrato		SISSA (Italy)	Positive response re <input type="button" value="x"/>
 Monica Pickholz		Universidad de Buenos Aires	Positive response re <input type="button" value="x"/>
 Andrew Pohorille		NASA	Positive response re <input type="button" value="x"/>
 Ursula Roethlisberger		University of Laussane	Contacted <input type="button" value="x"/>
 Benoit Roux		University of Chicago	Positive response re <input type="button" value="x"/>
 MArk Sansom		University of Oxford	Positive response re <input type="button" value="x"/>
 David Shaw		DEShaw	Not contacted <input type="button" value="x"/>
 Wataru Shinoda		University of Nagoya, Japan	Positive response re <input type="button" value="x"/>
 Emad Tajkhorshid,		University of Illinois	Contacted <input type="button" value="x"/>
 Mounir Tarek		University of Lorraine	Positive response re <input type="button" value="x"/>
 Douglas Tobias		UCI Department of Chemistry	Contacted <input type="button" value="x"/>
 Werner Treptow.		University of Brasilia, Brazil	Positive response re <input type="button" value="x"/>
 Satyavani Vemparala		The Institute of Mathematical Sciences, Chennai	Contacted <input type="button" value="x"/>
