A&E Big Questions & Future Priorities Workshop

Tuesday 1st October 2019, 9am - 4pm

Keynote Addresses:

Recognising silent misdiagnoses in A&E

Prof. Al Mulley, Director of the Dartmouth Institute for Health Policy & Clinical Practice

Strategy

Unit.

Impact of 'GPs in EDs' -

Early findings

Prof Adrian Edwards & Dr Alison Cooper, Division of Population Medicine, Cardiff University

Parallel Sessions:

◇ Understanding the decline in performance against the 4-hour A&E target
 ◇ Do Psychiatric Liaison Services reduce admissions via A&E?
 ◇ Will adding delirium to the NEWS2 Score increase the number of alerts?
 ◇ How does bed occupancy and ED crowding influence decisions to admit?
 ◇ Stock and Flow: Monitoring pressures in an ED in real-time
 ◇ Full list of sessions on Eventbrite[™]

About

Explore current research & analyses on the delivery
 & operations of A&E departments

\diamond Examine big questions facing emergency care

♦ Influence the agenda of researchers by setting priorities for the future

♦ Free event, Earn a day of CPD & Lunch provided

Attendees

 A&E staff (Clinicians & non-clinicians -any grade/background)
