

APPLY FOR A GRANT TO DIGITISE COLLECTIONS AT RISK

The Endangered Archives Programme seeks to preserve cultural heritage and make it available to as wide an audience as possible. We fund digitisation projects to record the content of archives, which can include rare printed sources, manuscripts, visual materials, or audio recordings. We aim to enhance local capabilities to manage and preserve archival collections into the future, and therefore all applications must involve at least one archival partner in the country where the material is based.

We welcome applications for funding on an annual basis. The current deadline for preliminary applications is **11 November 2019**. Application forms and guidelines can be found at eap.bl.uk.

The Endangered Archives Programme is supported by the Arcadia Fund and administered by the British Library. For enquiries contact us at endangeredarchives@bl.uk.
