

# TRAJECTORIES III

**Proposals for the Trajectories exhibition and workshops are welcome from recent artist graduates or postgraduate students** currently studying on a MA/MFA/PGDip/PhD or equivalent course in the UK, producing new media art, digital art/design, interaction design or similar.

Watermans will provide assistance for installation, transport and an honorarium.

Deadline for submissions is **5pm on Sunday 15 December 2019**.

For more info and to apply, please visit:

## About Watermans

Watermans is the major arts centre in West London with a year round programme of film, performing arts and a cutting-edge programme of exhibitions showing the work of leading digital and new media artists.

We're a social enterprise which means that any money we make is ploughed back into providing events and opportunities to take part for the whole community. Our mission is to bring communities together through cultural participation.
